

# "GOD is ABOUT to DO SOMETHING NEW"

by David Wilkerson

I am not a Jeremiah, but for a number of years I have acted as a watchman on the wall, warning of impending judgments. Yet, I have preached that God's judgments are always redemptive. He is a loving God who must at times redeem and correct a sinful people through chastenings.

Recently, I have been preaching that God is about to do something new and glorious. This new thing is beyond revival, beyond an awakening. It is a work of God that He alone initiates when He can no longer endure the polluting of His holy name. There comes a time when God determines that His Word has been so trampled into the mire, and abominations have so defiled what is called "the church," - He must rise up and defend His name before a lost world.

"For His own name's sake," God is going to do two mighty works:

First, He is going to purge the nations and His church with awesome redemptive judgments. He is going to stop the invasion into His house by homosexuals and charlatans - and He is going to purify and cleanse the ministry and raise up shepherds after His own heart.

Second, God is going to glorify His holy name with a great intervention of mercy. In the throes of judgments being fulfilled, God is going to save the day by a supernatural "turning" of a remnant back to Himself. What He did for Israel when they were judged, He will do again in the days ahead. You can read it all in **Ez 36:21-38.**

## **Summed up, this is what is prophesied:**

*"I will have pity for My holy name which has been profaned among the heathen... not for your sakes, but for My own name's sake. The heathen shall know I am God. I will sprinkle clean water upon you, and you shall be clean of all filthiness. I will give you a new heart and a new spirit. I will cause you to walk in My ways. I will save you from all your uncleanness. Not for your sakes do I do this, but for my own name's sake." (Also see **Ez. 20:22,44.**)*

For God's people, glorious days are ahead. Do not fret. God's holy name, and His pure Word, will be vindicated. - Something greater than revival is coming. God says, "*I will do a new thing.*" It has to do with **restoring the glory** of His Name - the glory that is in Christ, the Lord.
