

## ALTERING THE COURSE

The captain of the ship looked into the dark night and saw faint lights in the distance.

Immediately he told his signalman to send a message: *"Alter your course 10 degrees south."* Promptly a return message was received: *"Alter your course 10 degrees north."*

The captain was angered; his command had been ignored.

So he sent a second message: *"Alter your course 10 degrees south--I am the captain!"*

Soon another message was received: *"Alter your course 10 degrees north--I am a seaman third class Jones."*

Immediately the captain sent a third message, knowing the fear it would evoke: *"Alter your course 10 degrees south--I am a battleship."*

Then the reply came: *"Alter your course 10 degrees north--I am a lighthouse."*

There are plenty of voices shouting at us through the fog.

What we need is the voice of a lighthouse in our lives.

And that's **the voice of our loving Father.**

Don't let the busyness of this world hinder you to hear Him. God has a lot of things to say to you.

In Him,

Don and Dawn

P.S. If you're not meditating God's Word, whose words you meditate?
