

The biggest lie of the enemy ever...

Do you know Harry Houdini?

Harry Houdini, the famed escape artist issued a challenge wherever he went.

He could be locked in any jail cell in the country, he claimed, and set himself free quickly and easily.

Always he kept his promise, but one time something went wrong.

Houdini entered the jail in his street clothes; the heavy, metal doors clanged shut behind him.

He took from his belt a concealed piece of metal, strong and flexible.

He set to work immediately, but something seemed to be unusual about this lock.

For 30 minutes he worked and got nowhere.

An hour passed, and still he had not opened the door.

By now he was bathed in sweat and panting in exasperation, but **he still could not pick the lock**.

Finally, after laboring for 2 hours, Harry Houdini collapsed in frustration and failure against the door he could not unlock.

But when he fell against the door, it swung open! It had never been locked at all!

But in his mind it was locked and that was all it took to keep him from opening the door and walking out of the jail cell.

That's how powerful your God-given mind is.

So *if you think* you're too old to memorize Bible verses...then you're right.

If you **think you have a bad memory** and can't memorize scriptures...then again you're right.

And *if you think* you're too busy to memorize God's Word...you're right too.

Simply stated, you'll believe what you want to believe is true.

I'm sorry but all these are just lies that the enemy are whispering to your ears.

Because the enemy would rather have you meditate on fears, doubts, and impurity than the true and living power of the Word of God.

But I trust you that you'll make a right decision and start your journey to a healthier relationship with God through scripture memorization (...).

In Him,

Don and Dawn

P.S. Seriously, if you're not meditating God's Word right now... whose words you're meditating?

Think about it for a second.

Don't let the enemy sneak up on you.
