

Why the Jewish Rabbis Love the Mormon Church

POWER OF PROPHECY

Mormonism Proven to Be Zionism's Trojan Horse

And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon." → Revelation 13:11

"In 2009, five rabbis toured the Draper, Utah LDS (Mormon) Temple. One of the rabbis, a 75-year old who has been doing interfaith work for 50 years, removed his yarmulke (skull cap) while in the celestial room and said, it was the holiest place he had ever been in. Things like that are happening all over the world... There is a genuine Mormon-Jewish connection... Mormons who deal with Jews really have a profound appreciation for their own doctrines, temples, etc."

→ Mark Paredes National Outreach Director, Zionist Organization of America (A Jew and a Mormon) Deseret News (Jan. 7, 2011)

America and the nations of this planet are now witnessing the most remarkable politico-religious dramas in the history of the world. Few people, however, possess the wisdom of discernment given only by God, and so the vast majority miss it entirely. They are the deaf and the dumb who can neither see nor understand, and so they are doomed to become victims of an approaching tsunami of horror.

I can see and hear the thundering roar of the tsunami wave as it approaches. I'll do my best to describe what is now transpiring. He who has ears to hear, let him hear.

The Rise of the Beast Kingdom

For over 150 years Satan has carefully built up his earthly beast kingdom. Its centerpiece is Zionism, and the physical Judaic nation-state is the very eye of the beast, spiritually located in its forehead, which the Hindus call the "*ajna*." This Judaic nation-state has its political and economic apparatus in Tel Aviv, London, Washington, D.C., and New York. Its spiritual capital is, however, earthly Jerusalem, with religious offshoots in Rome (the Vatican), New York (Judaism), Nashville (evangelical Zionists), San Francisco (Wicca and New Age), and Salt Lake City (Mormons).

Bible prophecy speaks, then, of *Mystery, Babylon the Great* encompassing the whole globe. This is World Jewry, the whore of Babylon, and yet the whore has many daughters. These many daughters fornicate with the beast (the Jewish serpent) and give the beast power and strength.

Mormon Church a Whorish Daughter

One of these notorious and whorish daughters of the beast is the Church of Jesus Christ of Latter Day Saints (LDS), also called the Mormons.

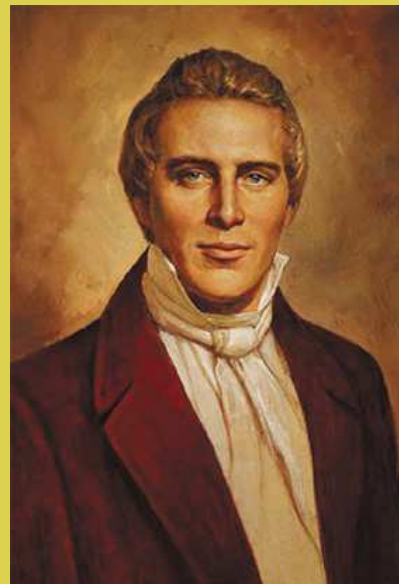

Now the genius of the Mormons is that while this church is thoroughly Zionist and Judaic, it has all the artificial trappings of a false Christianity. The Mormon Church, some fifteen million strong, comes complete with a counterfeit New Testament (*The Book of Mormon*), a counterfeit "Jesus," and it even teaches of a coming, earth-based "New Jerusalem."

Mormonism is a Trojan Horse of global Zionism, and Mitt Romney is the perfect tool of Zionist interests.

In reality, the Mormon Church, currently headquartered in Salt Lake City, Utah, is nothing less than an anti-Christian, blasphemous arm of World Jewry. It is a Judaic cult. As such, the Jewish rabbis cooperate fully with the Salt Lake City religious elite in helping the Mormons achieve their earthly goals. Indeed, the real goal of the Mormon church is to exalt physical Israel as God's Chosen People and to establish a Hebrew-led global empire. At the helm of that empire, the Mormons believe, will be a Hebrew King.

Joseph Smith, Founder of the LDS Church. Below is the LDS Temple in Salt Lake City, Utah.

In sum, Mormonism is Judaism, and Judaism is Mormonism. But there is more. The Mormon Church **is a Masonic creation. Its founder, Joseph Smith, was a Freemason, and its rituals and doctrines are** essentially Masonic. Likewise, Freemasonry is itself a Judaic cult which honors the Jewish Kabbala as its doctrinal and ritualistic source.

And thus we arrive at another conclusion. Mormonism, Masonry, and Judaism are three integrated components, interlinked and inseparable. All three are antichrist in nature, and serpent-led in spiritual sustenance. They are Satan's Zionist Army.

Mormon (LDS) woman gives a sign in a LDS Church ritual ceremony. It is exactly the same as that of Freemasonry, as proven by this excerpt from page 17 of Duncan's *Masonic Ritual and Monitor*, illustrating the sign of an Entered Apprentice. Joseph Smith, founder of the Mormon Church, borrowed many of his church's signs, grips, symbols, and rituals from the Masonic Lodge. In fact, Smith was excommunicated by the Masons for having done so. (Photo of Mormon woman is from *Mormonism, Masonry and Godhood*, by Dr. Cathy Burns, Sharing Publishing, Mt. Carmel, Pennsylvania)

The Real Jesus Has No Place in These Three Groups

In Judaism, the name of Jesus is blasphemed and spat upon. In Freemasonry, the name of Jesus is never honored, and it is made clear to Masons that Jesus is *not* God. In contrast, in the Mormon cult, "Jesus" is honored but—hold on!—the Mormon "Jesus" is not the Jesus of the New Testament. In order to seduce and deceive, the Mormons introduce to the masses "another Jesus" and "another gospel" (*II Corinthians 11:4*); in other words, a *counterfeit*.

This counterfeit Jesus, say the founders of Mormonism and also today's hierarchy in Salt Lake City, is only one of many millions of gods. The Mormon Jesus is said to be the "spiritual brother of Lucifer." Indeed, someday, the Mormons teach, Lucifer will be redeemed and he, too, shall become a god.

Jesus, the Mormons claim, was a mere man who "earned" his godhood, and so did the Father God worshipped by the Mormons. He, too, was once a man, and this Father—who resides on a star called "Kolob"—has many, many wives whom he sexually copulates with and produces countless more spiritual children, male and female. Each of these countless, male spiritual children will someday become a "god" over his very own star-planet.

Jesus a Polygamist With Many Wives

Thus, "Jesus," whom the Mormons say is also a polygamist, is "god" only of planet earth, not of the whole universe. And the good news for Mormon males is that they, too, if faithful to the church founded by Mason, Joseph Smith, will earn for themselves their own star-planet, where they will reign as monarch, copulating happily with their harem of wives and producing even more little deities.

This curious doctrine, incidentally, is central to the Mormon faith and has led one ex-Mormon to author a revealing, tell-all book entitled, *The Godmakers*.

Jewish Rabbis Love the Mormon “Jesus”

Can you imagine how pleased and ecstatic the fiendish Jewish rabbis are over the success of Mormonism? They are seeing a Judeo-Masonic cult steeped in kabbalistic doctrine and practices growing in numbers like frogs after a summer storm.

The rabbis must stand in awe to see this Judeo-Masonic cult present the most outlandish and preposterous of counterfeit Jesuses, a “Jesus” stripped of His universal Deity and made out to be a sex-crazed pasha of his own female harem.

The rabbis know that in their Talmud, the most holy book of Judaism, Jesus is labeled a blasphemer and a sexual magician and pervert. Oh the joy they must experience to discover that in the Mormon cult, Jesus is described as a minor god of one teensy planet out of trillions in the galaxy and that this minor deity, Jesus, is said to have been produced by the sex act between Mary and the Father God in Kolob.

This is a cosmic joke that the rabbis must gleefully relish. It’s enough to cause the Hasidic Jews in black garb and cobra curls dangling from under their weird black hats to hold hands and dance like whirling dervishes.

“Oy vey, I love that Mormon Jesus,” the rabbis scream out in ecstasy. “He’s almost as depraved as the Talmudic Jesus we Jews love to hate,” they cry out, doubling over with laughter.

SALT LAKE CITY — Strong bridges of friendship and commonality are being built between Mormons and Jews.

That is the message Mark Paredes plans to share at the I.J. and Jeanné Wagner Jewish Community Center on Jan. 12.

“There are things that Mormons and Jews have in common. A lot of people think there is a big diversion theologically, and there are some things obviously, but I think we have a lot more to talk about,” Paredes said. “I think Mormons who are interested in reaching out to Jews at any level will find something in the talk they can relate to — perhaps advice, counsel, maybe ideas — for their stake or ward or even families to reach out and build bridges of friendship.”

Paredes plans to share insights on Israel and Jewish-

In Deseret News Jan. 7, 2011), an official publication of the LDS General Conference, Mark Paredes, a high-ranking official of both the Zionist Organization of America and the American Jewish Congress, spoke of the theological connections of Mormons and Jews. Paredes was baptized a member of the LDS (Mormon) Church at age 11 and served as a Mormon Missionary to Italy.

An Anti-Jesus

So what we have here in Mormonism is a form of *anti-Jesus*. And now, a man firmly believing in this Judaic-approved anti-Jesus is very close to becoming President of the United States of America, the world's premier superpower.

Sadly, we are faced with a Hobson's Choice in voting for President of the United States. We know that a Barack Obama elected for a second term will result in a Communist takeover of America. On the other hand, a Romney presidency would be equally disastrous. Whether we end up with Obama or Romney, the Illuminist goals I warn of in my new DVD, [Die America Die!](#) will be fully implemented.

Republicans are being led to believe that a Mitt Romney as President will rescue us from evil. But if and when Mitt Romney assumes the mantle of President, the U.S.A. will be crowning with glory the Zionist Despot whom the Protocols of Zion heralded would bring all the nations together in a New World Order. On January 20, 2013, a lovely First Lady at his side, a Mormon pseudo-Jew, honored by millions as the King of the New Jerusalem, could be sworn into office.

The Trojan Horse is Rolled Into Place

And then, the great Trojan Horse of Zionism will be rolled into position. From its bowels will come the black plague of Satanic Judaism: Mormons, Jews, and Masons, hand-in-hand, ready to fulfill their Master's desires.

The Oroboros serpent will have encircled the world and the star of Revelation will have taken his key to the bottomless pit and unleashed Abaddon and his minions to do their great, but terrible, work. The Zionist shill, Mitt Romney, on behalf of the Mormon daughter of the Jewish whore of Babylon, will sit on the throne of global power and rule from the White House in Washington, D.C. May God have mercy on us all.
